

*An educational webinar for your  
healthcare team members!*

**Wednesday, October 13, 2021  
12 – 1 pm Central Time**

Please join us for this informative webinar presented by Michael Callahan, Senior Counsel with Katten Law health Care Team. He will discuss patient safety activities in the ambulatory care setting, and their implications for privilege and confidentiality protections within the context of working with a federally listed patient safety organization such as NCPS.

**Please register at:**

If you have questions about the webinar or registration, contact Ashley Dawson at: [Ashley.dawson@unmc.edu](mailto:Ashley.dawson@unmc.edu)

## Patient Safety Organizations: What Every Ambulatory Care Provider Needs to Know

### Learning Objectives:

1. Describe common types of patient safety events that occur in ambulatory care settings.
2. Describe the purpose and work of patient safety organizations.
3. Discuss the Patient Safety and Quality Improvement Act of 2005 and its implications for privilege and confidentiality protections for providers who report safety events to a patient safety organization such as NCPS.
4. Examine the structures and processes involved in maintaining a patient safety evaluation system in an ambulatory care setting.

*Continuing education credit is being made available to NCPS members and is pending from*

- Iowa Western Community College, Iowa Board of Nursing Provider #6 and
- The Nebraska Medical Education Trust
