

INDIVIDUAL MEMBER BENEFITS

An individual member is a physician, osteopathic physician, or physician assistant licensed in Nebraska.

Education

- Member discount on registration fees for select NCPS sponsored educational programs, including webinars, workshops, and certain conference presentations.
- Continuing Medical Education credits for select programs.
- Access to NCPS Annual Report.

Resources

- Access to recorded webinars, archived de-identified events, patient safety alerts, reporting committee summaries, and other resources via the NCPS member-only section of the NCPS website.
- Monthly newsletter with pertinent resources and information about upcoming events.
