

An educational webinar for your leadership, and quality and patient safety team members!

**Tuesday, February 23, 2021
12 – 1:30 pm Central Time**

During this webinar, David Cates, PhD will introduce healthcare professionals to concepts and tools to screen for suicide and collaboratively develop a safety plan.

Dr. Cates, a Licensed Psychologist, is the Director of Behavioral Health at Nebraska Medicine, and Vice Chair of Clinical Operations in the Department of Psychiatry at UNMC.

Suicide Risk Assessment and Safety Planning

Learning Objectives:

1. Identify two strategies for establishing rapport with suicidal patients.
2. Distinguish between a wish to be dead, suicidal ideation with a method, and suicidal ideation with intent and plan.
3. Identify the seven components of a suicide safety plan.

Following the educational presentation, NCPS will host a 45-minute Safe Table discussion about this topic.

If you have questions about the webinar or registration, contact Regina Nailon at: regina.nailon@unmc.edu or phone: 402-559-8946.

This program has been approved for 1.5 continuing education hours. Continuing Education Contact Hours awarded by Iowa Western Community College, Iowa Board of Nursing Provider #6.
